

## VENDORS – DURABLE MEDICAL EQUIPMENT

5/06

The listings on this Info Sheet should in no way be construed to constitute an endorsement of an agency or company or its service, nor should exclusion be construed to constitute disapproval. The information which appears in this publication was obtained from the agencies and companies.

### What is Durable Medical Equipment (DME)?

Durable medical equipment (DME) is equipment that is primarily and customarily used to serve a medical purpose, can withstand repeated use, and is appropriate for use in the home. Some examples of DME include hospital beds, walkers, and wheelchairs. This equipment may be paid for by health insurance.

### These companies serve Southeastern Wisconsin.
